Auckland Transport Code of Practice means the Auckland Transport Code of Practice as published on the Auckland Transport website, as may be updated or revised from time to time;

Authorised Work means the concrete steps with handrail constructed within the Road, comprising:

- (a) four steps at a width of 3m each and a height of 175mm each (being a total height of 700mm). The steps will be set back from the kerb by 3m on the Road frontage; and
- (b) brushed stainless steel balustrade handrail with a dimension of 50mm x 25mm x 3mm,

as is shown on the plans and specifications lodged by the Encumbrancer with the Encumbrancee (approximate plans of which are annexed in Schedule 3) and includes the raised access carriageway and its component parts, supporting and ancillary structures and fittings, all of which are deemed to be affixed to and form part of the soil of the road for the purposes of section 316 of the Local Government Act 1974;

Body Corporate means the Body Corporate 531007 under the Unit Title Plan;

Encumbrancee means Auckland Transport established under section 38 of the Local Government (Auckland Council) Act 2009 and its successors;

Encumbrancer means the person named as the Encumbrancer in this instrument and includes the person for the time being registered as owner of the Land but only as long as he or she has an interest in the Land;

Existing Encumbrance means the encumbrance being registered pursuant to the licence to occupy airspace between Auckland Transport and TMF Waikumete Limited entered into on or around the same date as this encumbrance for the Land in favour of Auckland Transport;

Deed of Covenant means the deed of covenant in accordance with clause 15, Schedule 2 of this encumbrance;

Land means the Encumbrancer's land at 6 Waikumete Road, Glen Eden, Auckland being:

- (a) from the date this encumbrance is registered until the deposit of the Unit Title Plan, Lot 1 Deposited Plan 105083, being the Encumbrancer's land comprised in record of title NA57D/1393 (North Auckland Registry); and

Annexure Schedule 2

Page 2 of 20 Pages

*Insert instrument type***Encumbrance Instrument**

- (b) from the date the Unit Title Plan is deposited, the common property under the Unit Title Plan;

Manager means the Encumbrancee's Technical Property Services Manager, or the person or officer with delegated authority to carry out the relevant functions of the Encumbrancee referred to in this encumbrance instrument; and

Practical Completion means that stage in the execution of the Authorised Work when the Authorised Work is complete except for minor omissions and minor defects:

- (a) which do not prevent the Authorised Work from being used for its intended purpose; and
- (b) rectification of which will not prejudice the convenient use of the Authorised Work;

Road means Waikumete Road, Glen Eden in Auckland and includes every public place, public or private service, culvert, drain, sewer pipe channel, kerb, footway, gate, building, tree, shrub, or other thing lying on, under, over or within its limits; and

Unit Title Plan means DP 531007 in respect of the unit title subdivision of the Land.

1.2 Interpretation: In this instrument, unless the context indicates otherwise:

- (a) **Defined Expressions:** expressions defined in the main body of this instrument have the defined meaning throughout this instrument, including the background;
- (b) **Headings:** clause and other headings are for ease of reference only and will not affect this instrument's interpretation;
- (c) **Parties:** references to any **party** include that party's executors, administrators, successors and permitted assigns;
- (d) **Persons:** references to a **person** include an individual, company, corporation, partnership, firm, joint venture, association, trust, unincorporated body of persons, governmental or other regulatory body, authority or entity, in each case whether or not having a separate legal identity;
- (e) **Plural and Singular:** references to the singular include the plural and vice versa;
- (f) **Clauses/Schedules/Attachments:** references to clauses, schedules and attachments are to clauses in, and the schedules and attachments to, this instrument. Each such schedule and attachment forms part of this instrument;

Annexure Schedule 2

*Insert instrument type***Encumbrance Instrument**

- (g) **Statutory Provisions:** references to any statutory provision are to statutory provisions in force in New Zealand and include any statutory provision which amends or replaces it, and any by-law, regulation, order, statutory instrument, determination or subordinate legislation made under it;
- (h) **Negative Obligations:** any obligation not to do anything includes an obligation not to suffer, permit or cause that thing to be done; and
- (i) **Joint and Several Obligations:** where two or more persons are bound by a provision in this encumbrance that provision will bind those persons jointly and each of them severally.

2. BACKGROUND

The Encumbrancer acknowledges and confirms the matters set out in Schedule 1.

3. COVENANTS

The Encumbrancer covenants with the Encumbrancee to perform the obligations in Schedule 2.

4. DISCHARGE OR REDEMPTION

4.1 In recognition of the background matters in Schedule 1, the Encumbrancer irrevocably covenants with the Encumbrancee for the Term that, for as long as all the Encumbrancer's covenants are not fully performed:

- (a) the Encumbrancee will have no obligation to discharge this encumbrance instrument under section 97 of the Property Law Act 2007 or otherwise;
- (b) the Encumbrancer will not take any steps whatsoever, including, without limitation, pursuant to section 97 of the Property Law Act 2007 or section 115 of the Property Law Act 2007 to redeem or discharge this encumbrance instrument, or pursuant to section 317 of the Property Law Act 2007 to have this encumbrance instrument revoked, cancelled, surrendered, discharged, lapsed or otherwise removed from the title to the Land;
- (c) the Encumbrancer will not support any such steps being taken by a third party; and
- (d) the Encumbrancer surrenders and waives any right, entitlement or ability that the Encumbrancer may have to have this encumbrance instrument discharged, redeemed, revoked,

Annexure Schedule 2

cancelled, surrendered, discharged, lapsed or otherwise removed from the title to the Land.

4.2 To avoid any doubt:

- (a) if the Encumbrancer's covenants are of a restrictive nature, for example by requiring the Encumbrancer not to do something, the performance of those obligations will require the Encumbrancer to observe and comply with those restrictions; and
- (b) where the Encumbrancer's covenants are of a continuing nature, they will be treated as not having been fully performed for as long as they are capable of still being performed, observed or complied with.

5. SECOND CHARGE

- 5.1** This encumbrance will rank as a second charge in respect of the Land, subsequent only to the Existing Encumbrance, and the Encumbrancer will enter into a memorandum of priority with any chargeholder or mortgagee to ensure that state of affairs.
- 5.2** The Encumbrancee's consent will not be required to the registration of any instrument, which has priority behind this encumbrance instrument.
- 5.3** For the avoidance of doubt and for the purposes of sections 32(1)(d) and 62 of the Unit Titles Act 2010 and without prejudice to the Encumbrancee's rights and powers existing under this encumbrance, the Encumbrancee consents to:
 - (a) the deposit of the Unit Title Plan and the lodgement of the order for new records of title for the subdivision as shown on that plan; and
 - (b) the grant and registration of an easement in gross to convey electricity over the common property as set out in the Unit Title Plan in favour of TMF Waikumete Limited.

6. COSTS

The Encumbrancer will pay all legal costs directly or indirectly attributable to the preparation, registration, enforcement and discharge of this encumbrance instrument.

7. IMPLIED TERMS

Sections 203, 204 and 205 of the Property Law Act 2007 apply to this encumbrance instrument but otherwise (and without prejudice to the Encumbrancee's rights of action at common law as a rent chargee or encumbrancee):

SCHEDULE 1

(Background)

1. The Encumbrancer is registered as owner of the Land, which is situated in the district of the Encumbrancee.
2. The Encumbrancer has requested the Encumbrancee to consent to the Authorised Work to facilitate pedestrian access to one block of the apartment complex located on the Land.
3. The Encumbrancer intends to carry out a unit title subdivision of the Land. Once subdivided, the Land adjoining the Authorised Work will become the common property in accordance with the Unit Title Plan, and the Body Corporate will become responsible for the Authorised Work.
4. The Encumbrancee has agreed to consent to the Authorised Work on the condition (amongst other things) that the Encumbrancer grants the rent charge and enters into the covenants in this encumbrance instrument.

*Insert instrument type***Encumbrance Instrument****SCHEDULE 2****(Encumbrancer's Covenants)****1. CONSENT OF THE ENCUMBRANCEE**

The Encumbrancer must, before commencing any work of construction, maintenance or repair of the Authorised Work, obtain consent from the Manager in addition to any other regulatory consents required from the Encumbrancee. The Encumbrancer must include with the application:

- 1.1 engineering design drawings prepared and certified by a chartered professional engineer; and
- 1.2 a programme of works, which must include a site specific health and safety management plan and a traffic management plan.

2. OTHER CONSENTS

2.1 The Encumbrancer must, a reasonable time before commencing any construction, maintenance or repair of the Authorised Work, notify all network utility operators including but not limited to telecommunications, water, wastewater, stormwater, electricity and gas of its intention to construct the Authorised Work on the Road.

2.2 The Encumbrancer must also obtain and fully comply with all other necessary statutory and other consents and the requirements of the following parties:

- (a) all network utility operators, including but not limited to telecommunications, water, wastewater, stormwater, electricity and gas;
- (b) all owners of private property affected;
- (c) all consents which may be required under the Resource Management Act 1991 and the Building Act 2004;
- (d) all consents and other documents required to enable registration of this instrument with Land Information New Zealand as a second charge against the record of title to the Land, subsequent only to the Existing Encumbrance;
- (e) all consents which may be required in relation to any vehicle crossing, if applicable;
- (f) all engineering approvals; and
- (g) all consents required by Auckland Council.

*Insert instrument type***Encumbrance Instrument****3. CONDUCT OF WORK**

- 3.1** The Encumbrancee has the ability to manage the Road in an unfettered manner at all times.
- 3.2** The Encumbrancer must comply with the Auckland Transport Code of Practice in force at the time when carrying out any work in the Road. These conditions may be amended by Auckland Transport or Auckland Council at any time.
- 3.3** Any work of construction, maintenance or repair of the Authorised Work must be performed to the standards specified in the New Zealand Building Code and must be supervised by a chartered professional engineer.
- 3.4** The Authorised Work must have a design life of at least 50 years.
- 3.5** The Encumbrancer must comply with the Code of Practice for Utility Operators' Access to Transport Corridors approved by the Minister for Infrastructure under the Utilities Access Act 2010 when it carries out the Authorised Work. This includes lodging a Corridor Access Request via www.myworksites.co.nz before commencing any work of construction, maintenance or repair of the Authorised Work and complying with any additions imposed by the Work Access Permit associated with that Corridor Access Request. These requirements may be amended by the Encumbrancee at any time by notice to the Encumbrancer. If the Encumbrancer proposes changes to the installation methodology or installation depth of the Authorised Work, such changes must be approved by the Corridor Access Request Team Leader.
- 3.6** Before commencing any work in the Road the Encumbrancer must ensure that its contractor has obtained and carries adequate public liability insurance cover (being at least \$2,000,000) to indemnify both the Encumbrancer and the Encumbrancee against public liability. The Encumbrancer must produce to the Encumbrancee reasonable evidence of the existence and currency of that cover before the commencement of construction or maintenance of the Authorised Work and whenever the Encumbrancee requires.
- 3.7** The Encumbrancer must not, without the prior written consent of the Manager, do anything or allow anything to be done which causes interruption to the passage of vehicular and pedestrian traffic using the Road. All work must be carried out continuously at times reasonably approved by the Manager, and is to be completed as soon as is reasonably possible.
- 3.8** The Encumbrancer must reinstate those parts of the Road which have been affected by the works but are not occupied by the Authorised Work to the Encumbrancee's standard specification immediately after completion of any works. No materials, plant or equipment should be abandoned or left in the Road but must be removed within 28 days of Practical Completion of the Authorised Work or the completion of any other maintenance or repair of the Authorised Work.

*Insert instrument type***Encumbrance Instrument**

- 3.9** The Encumbrancee may at all reasonable times inspect any construction, maintenance or repair of the Authorised Work. The Encumbrancer will pay all reasonable expenses incurred by the Encumbrancee in supervision or inspection of that construction, maintenance or repair.
- 3.10** The Encumbrancer will on or before 1 June in the fifth year after the date of this encumbrance instrument, and on each fifth anniversary of that date, arrange for an inspection of the Authorised Work by a suitably qualified engineer and provide a report by the engineer in a form satisfactory to the Encumbrancee as to the structural soundness and general state of repair of the Authorised Work. If the Encumbrancer fails to provide this report by the due date the Encumbrancee may arrange for an inspection and report by its own engineer for this purpose, the cost of which will be borne by the Encumbrancer. The Encumbrancer must carry out any works recommended in the report provided by its own or the Encumbrancee's engineer within one month of receiving the report.
- 3.11** The Encumbrancer must pay the cost of any alteration to or interference with power, gas, water, telephone, drainage or other services necessitated by the construction, repair, maintenance or use of the Authorised Work and will make good all damage done by the Encumbrancer to property belonging to or controlled by any person, firm, company, local authority, public body, or Government Department and will pay full compensation to all parties for any loss or damage caused by any interference by the Encumbrancer with that property or with those public services.
- 3.12** The Encumbrancer will be responsible for maintaining the reinstated road surface under clause 3.8 for 12 months following completion of the Authorised Work to the satisfaction of Encumbrancee. The Encumbrancee reserves the right to carry out any remedial work which it considers necessary, on written notice to the Encumbrancer, and to recover the cost of this work from the Encumbrancer, if it fails to maintain the road surface to the required standard.
- 3.13** Within 28 days of Practical Completion of the Authorised Work, the Encumbrancer must provide the Encumbrancee with producer statements from a chartered professional engineer certifying that the construction of the Authorised Work within the Road is sound once the Authorised Work is completed.
- 3.14** The Encumbrancer will immediately notify the Encumbrancee when any construction, maintenance or repair of the Authorised Work is completed so as to enable the Encumbrancee to inspect the Authorised Work and ensure satisfactory completion of any such construction, maintenance or repair (as the case may be).

4. MAINTENANCE AND REPAIR

- 4.1** The Encumbrancer must at all times maintain the Authorised Work and all equipment and fittings connected to it in good order and repair and

*Insert instrument type***Encumbrance Instrument**

safe to the satisfaction of the Encumbrancee and keep the plantings and landscaped areas in the Road immediately adjacent to the Authorised Work clean, tidy and free of weeds and graffiti. The Encumbrancer must comply with any notice to repair given to the Encumbrancer by the Encumbrancee and will promptly carry out all repairs and maintenance to the reasonable satisfaction of the Encumbrancee. If the Encumbrancer fails to maintain the Authorised Work and plantings and landscaped areas in that condition the Encumbrancee may on written notice undertake the repairs or maintenance and recover the costs incurred from the Encumbrancer.

4.2 Except in cases of emergency, the Encumbrancer must give written notice to the Encumbrancee setting out its intention to carry out any repairs and renewals at least seven days before any work is commenced. The Encumbrancer must supply to the Encumbrancee engineering design plans of all work to be carried out. Subject to clause 4.4, in cases of emergency the Encumbrancer will give the Encumbrancee written notice setting out the nature of the repairs or renewals as soon as possible after the event rendering the urgent repairs or renewals necessary, with appropriate plans.

4.3 Notwithstanding any other provision of this encumbrance, in the event of an emergency or where there is an immediate risk of injury or damage to persons or property, the Encumbrancer must, as soon as possible after it becomes aware of the same (and in any event within 72 hours), undertake all work and take all other steps necessary to prevent such injury or damage occurring or continuing.

4.4 If the Encumbrancer fails to undertake all work and take the other steps necessary referred to in clause 4.3 within 72 hours of becoming aware of the relevant risk, or if urgent works are required to remove the risk of injury or damage to persons or property and/or to enable the unfettered management of the Road, the Encumbrancee may enter the Land and undertake any such alterations, removal, remedial or repair works to the Authorised Work that it considers necessary, without the requirement to provide the Encumbrancer with prior notice. If the Encumbrancee undertakes any such works in accordance with this clause, the Encumbrancer will meet all costs incurred by the Encumbrancee (including any professional costs incurred in connection with determining the appropriate repair work).

5. ALTERATIONS BY ENCUMBRANCER

If the Encumbrancer wishes to carry out any work not provided for in the plans previously approved by the Encumbrancee the Encumbrancer must obtain the Encumbrancee's written approval. This encumbrance instrument may be varied at the cost of the Encumbrancer to record any such approval and plans showing the location of the proposed work in relation to the Authorised Work are to be lodged with the Encumbrancee.

*Insert instrument type***Encumbrance Instrument****6. ALTERATIONS REQUIRED BY ENCUMBRANCEE: NO PROPRIETARY INTEREST OR COMPENSATION**

- 6.1** If at any time the Authorised Work gives rise to a public or private nuisance or in any way interferes with any other lawful work, or if the Encumbrancee considers removal or alteration necessary for safety, or for widening, realignment or reconstruction of the Road or for any other public work, then the Encumbrancee may on reasonable notice (being at least 15 working days) require the Encumbrancer to raise, lower, remove or otherwise alter the Authorised Work. If the Encumbrancer fails to do so within a reasonable time, the Encumbrancee may carry out the alterations itself at the Encumbrancer's cost.
- 6.2** The Encumbrancer acknowledges that nothing in this instrument gives the Encumbrancer the right to encroach across the road frontage of any neighbouring property. If the Encumbrancee at any time is of the view that such an encroachment exists or has occurred, it may require the Encumbrancer at the Encumbrancer's cost to alter or remove the Authorised Work in such a way as to remove the encroachment.
- 6.3** Neither the consent given by the Encumbrancee for the construction of the Authorised Work, nor any provision of this instrument, will be deemed to give the Encumbrancer any proprietary interest or other right, or give any expectation to the Encumbrancer as to the continued existence of the Authorised Work, nor will that consent or anything else in this encumbrance prevent or limit the Encumbrancee from dealing with the Authorised Work, being part of the legal road, in any manner which it is lawfully empowered to do.
- 6.4** No compensation or damages will be payable to the Encumbrancer if the Encumbrancee requires the Authorised Work to be removed or altered, and the Encumbrancee may on reasonable grounds require that the removal or alteration be carried out at the cost of the Encumbrancer.

7. NON-EXCLUSIVE USE

The Encumbrancer acknowledges that the Encumbrancer's use of the Authorised Work is non-exclusive and the Authorised Work can be used by the general public.

8. COMPLIANCE WITH STATUTORY REQUIREMENTS

The Encumbrancer will at its own expense comply with all Acts, by-laws and regulations including requisitions by any competent authority, in respect of the Authorised Work, to the extent that they relate to the Authorised Work and the Encumbrancer's use of it.

9. PROVISION OF AS-BUILT PLANS

The Encumbrancer will provide "as-built" plans of the Authorised Work to the Encumbrancee and any other authorities or persons as the Encumbrancee directs on completion of the Authorised Work and any subsequent alterations to it. The

Annexure Schedule 2

Page 12 of 20 Pages

*Insert instrument type***Encumbrance Instrument**

Encumbrancer must hold a copy of these plans and make them available to the Encumbrancee on request.

10. INDEMNITY

The Encumbrancer will indemnify the Encumbrancee and Auckland Council against all legal liability for actions, proceedings, costs, claims and demands that may be made against the Encumbrancee or Auckland Council for loss or damage caused by or arising out of or in connection with any act or omission of the Encumbrancer, its staff or contractors.

11. INSURANCE

The Encumbrancer must, until the Authorised Work is removed from the Road, at its own expense insure the Encumbrancee and the Encumbrancer against public risk for a reasonable amount as approved by the Encumbrancee, with an insurer approved by the Encumbrancee, which approval is not to be unreasonably withheld.

12. SERVICE OF NOTICES

Any notice to be served by either party on the other may be signed by or on behalf of the party serving such notice by an officer, solicitor or attorney of or for that party and may be given by facsimile or by delivering the same or sending it through the post in a pre-paid registered letter addressed to the party to be served at the registered office or principal place of business of the party to be served. If so posted, the notice will be deemed to have been served on the next working day following the date of posting, and if given by facsimile, the notice will be deemed to have been served on the completion of an error-free transmission, if sent on a working day, or otherwise on the next working day. In this clause the term **working day** means any day other than Saturday or Sunday that banks are usually open for business in Auckland.

13. RATES

The Encumbrancer will pay to Auckland Council all local authority rates or charges levied or assessed on the Authorised Work.

14. TACTILE PAVERS

The Encumbrancer must install warning tactile pavers on the uppermost and lowermost levels of concrete steps (being part of the Authorised Work).

15. DEED OF COVENANT

15.1 The named Encumbrancer (being TMF Waikumete Limited) intends to carry out a unit title subdivision of the Land. Once subdivided, the Land adjoining the Authorised Work will become common property under the Unit Title Plan and the Body Corporate will become responsible for the Authorised Work and for ensuring compliance with the terms of this encumbrance.

15.2 Immediately following deposit of the Unit Title Plan, the Encumbrancer shall procure the Body Corporate to enter into a deed of covenant, in the form attached at Schedule 4, in favour of the Encumbrancee.

15.3 The Encumbrancer acknowledges that:

- (a)** until a validly executed Deed of Covenant has been provided to the Encumbrancee, the Encumbrancer will observe and perform the covenants and conditions on the part of the Encumbrancer contained in this encumbrance instrument; and
- (b)** following the deposit of the Unit Title Plan and a validly executed Deed of Covenant having been provided to the Encumbrancee, the Encumbrancer (being a member of the Body Corporate) will at its own cost:
 - (i)** observe and perform the covenants and conditions on the part of the Encumbrancer contained in this encumbrance instrument; and
 - (ii)** do all things necessary to ensure compliance by the Body Corporate with the terms of this encumbrance instrument.

SCHEDULE 4
(Deed of Covenant)

DEED OF COVENANT

BODY CORPORATE 531007

AUCKLAND TRANSPORT

DEED dated the _____ day of _____ 2020

PARTIES

By: **BODY CORPORATE 531007 (Covenantor)**

In favour of: **AUCKLAND TRANSPORT** established under section 38 of the Local Government (Auckland Council) Act 2009 (**AT**)

BACKGROUND

- A. TMF Waikumete Limited (**TWL**) was the registered owner of the Land. The Land is subject to the Encumbrance.
- B. TWL has completed a unit title subdivision of the Land and the land adjoining the Authorised Work under the Encumbrance has become the common property under the Unit Title Plan. The Covenantor has agreed it is now responsible for the Authorised Work.
- B. The Encumbrance requires TWL to procure the Covenantor to enter into this deed poll in conjunction with the deposit of the Unit Title Plan.
- C. In consideration of AT providing its consent to the deposit of the Unit Title Plan and allowing the Authorised Work to remain in place in accordance with the Encumbrance, the Covenantor has agreed to enter into this deed poll.

THIS DEED RECORDS THAT:

1. INTERPRETATION

In this deed poll unless the context indicates otherwise:

1.1 Definitions:

Auckland Council means Auckland Council established under section 6 of the Local Government (Auckland Council) Act 2009;

Authorised Work means the authorised work as defined in the Encumbrance;
