This rental appraisal has been carried out in good faith based on comparative available properties and local area knowledge. The appraisal is reflective of current market conditions so may change in the future. No site visit has been conducted and this appraisal is not intended for finance purposes - if you require this please let us know. It is assumed the property appraised complies with all tenancy-related requirements (e.g., Insulation & Healthy Homes standards) and has the necessary building consents and council codes and bylaws required for use as permanent habitable accommodation. No liability is accepted for error or omission of fact or opinion.
