Dear Sirs,

re: Easement Certificate B.W. & J.O.T. Clay
D.P. 66789

In my letter dated 7 February 1973 I asked that certificates of title 6C/706 and 709 be produced and I regret that the wrong Certificate of Title 6C/706 was given instead of 6C/707. Messrs Cairns, Slane, Fitzgerald & Phillips have produced Certificate of Title 6C/709 and the production of certificate of title 6C/707 in the name of Derek Heine and Jeanette Blanch Heine is still required and it would appear that the Certificate of Title would be in the custody of the first mortgagee, the Southern Cross Building and Banking Society. However, an examination of the easement certificate lodged by you in respect of the plan shows Lot 4 Deposited Plan 54744 as a dominant tenement. Therefore having regard to the provisions of s.90A(3) of the Land Transfer Act 1952 the easement certificate must be executed by both Mrs Fawcett and Mr and Mrs Heine and until this is done and Certificate of Title 6C/707 produced, registration cannot be completed.

Yours faithfully,

Requisition

Dear Sir

Re: Requisition Abstract 121367 of 15 November 1972
B W and J O T Clay

We refer to your letter of 8 April, and confirm that a new Easement Certificate was registered on 12 June 1974 with Abstract 300816. A new Easement certificate in duplicate was prepared and signed by the parties mentioned in your letter, and a production slip for Certificate of Title 6C/707 was registered at the same time. We uplifted the previous Easement certificate for amendment and are still holding this, and should be pleased if this could be withdrawn from registration.

Yours faithfully
DANIEL, OVERTON & GOULDING
